IN FOCUS

## “Neurological diseases in elderly”

19.02.2025, 17:30 – 18:30 Uhr

1 SNG/SSN | 2 SGPP/SSPP

Free of charge

### Advances in the diagnosis and treatment of MS and Alzheimer

Join us for an engaging WebUp under the scientific direction of PD Dr. med. Andreas Lutterotti. Together with Prof. Dr. med. Julius Popp (specialist in psychiatry and psychotherapy at the Hirslanden Clinic) and Prof. Dr. med. Tobias Bopp (Director of the Institute of Immunology at the University Medical Center Mainz), he will discuss the diagnosis and treatment of Alzheimer’s disease and multiple sclerosis in older adults.

### Program

- › **Multiple Sclerosis in the Elderly**  
Univ.-Prof. Dr. rer. nat. Tobias Bopp
- › **News in the Diagnosis and Therapy of Alzheimer’s Disease**  
Prof. Dr. med. Julius Popp

Registration for the entire event  
(free of charge):
